

Personality Patterns & Leadership Style Success Answer Sheet

Total the number of each of the letters from your questionnaire onto the corresponding letter below.

A. _____

B. _____

C. _____

D. _____

The scores show your personality type.

Remember the motto you chose before the test? Look at it again as you see the attributes of each personality type. Did you guess the correct motto?

Now, look at the sheet that matches your type. What do you see? Do you agree with your "type?" How can you use these attributes in your life, and your leadership style?
